No problem. Thinking of this as a short term response to buy some time in case you or JD want to edit:

"Hi Cheryl,

Apologies, I've been sick the last couple days and will be visiting our Indianapolis properties until Thursday. We have spent many hours of our time complying with each CHA request thus far, but unit numbers were not included as part of your requests until now.

I'll sync up with my IT team on Friday to see if we can provide the new information in the format requested.

Best,

David Jaffee

Steve and I have not had a chance to discuss yet, David. I know you're travelling Wed/Thurs – I will circle up with Steve in the meantime and we can respond Thurs or Fri this week if you think that works. Feel free to let Cheryl know that you're out for a few days, but we'll be back to her before the week is out.

Thanks,

PB

Did you guys decide how you want to respond short term? Around for a while if you want to discuss.
